BIG EATERS GET KIDNEY TROUBLE

Take Salts at First Sign of Bladder Irritation or Backache.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then fine. This famous salt is made from the acid lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

UPPER CLASSMEN CLASH FOR TITLE

Senior and Junior Fives of Local High School to Meet in Finals for Basketball Flag.

Standing of Teams.

	W.	L.	Pct.
Seniors	2	0	1.000
Juniors	2	0	1.000
Sophomores	0	2	.000
Freshmen	0	2	.000

Another day of the inter-class basketball tournament at the local high school has passed and the championship eligibles have narrowed down to the two upper class teams, the seniors and the juniors, while the under classmen will have to "scrap" each other to determine which of them will be counted lucky to stay off the bottom. These games, for the championship and for third place, will take place tomorrow and will undoubtedly draw the largest number of fans that has yet been seen at the meet.

The games yesterday were probably the fastest ever witnessed between class teams, the seniors and sophomores closing a fast game with the score of 24 to 15 in favor of the seniors, and the juniors and freshmen an exceedingly hard fought clash with the score 35 to 23 in favor of the former. In spite of the fact that there is a comfortable margin for both winners, the games were frequently much in doubt. In the former contest, the sophomores, in the start, made a few more points than their opponents, and at one point, the seniors were almost compelled to proceed with four men, which might have made matters very uncomfortable. In the latter game, the freshmen showed remarkable speed and the juniors were forced to keep on their guard all the time to prevent something being slipped over.

Altogether, the games yesterday showed a decided improvement on the part of the sophomores and freshmen, a noticeable weakening on the part of the juniors, and about the same line of play from the seniors as given the day before.

TO STAGE OLD STYLE BOWLING GAME HERE

Probably one of the most unique bowling matches ever held in the city will be staged tonight at the Island City alleys, the old German style of delivering the ball to be used by the players of the two teams. In this game the player does not use the finger holes in the ball, but rolls it from the flat hand and to those not accustomed to this style it is very difficult to control the sphere down the alleys. The two teams will line up as follows:

Geiger's Luxemburgers—Gus Geiger, James Petchel, George Stanard, Max Finberg and Adam Cypher. Hamlet's Dillenschneiders—Burns Harney, Art Struck, Chris Melow, August Lindbloom and Darrel Hamlet. The losing team will pay for a dinner.

Sinclair Now to Buy Yanks.

New York, Jan. 12.—While the baseball public waited in vain yesterday for something definite on the rumor sale of the New York giants, another deal appeared on the horizon. Several baseball men said yesterday it would not be a surprise if the Sinclair-Gaffney-Davis combine should make an offer to Colonel Ruppert and Captain Rupert and Captain Huston for the Yankees. This offer would only come in case the Giants deal fell through, it was said.

CHICK HAYES BACKS OUT OF PEANUTS GO

In a communication to E. W. Schiebel of this city, the manager of "Chick" Hayes, who was to battle Peanuts Schiebel in Milwaukee Jan. 21, announces that his boy will be unable to fill the date. Young Nayworm, a coming featherweight battler of Milwaukee, has been substituted for Hayes and Jan. 28 is set as the new date for the bout before the National Athletic club. The offer of the bout came from Frank Mulken. Peanuts is working out daily in preparation for the fight.

Andy Dans, well known lightweight fighter of Monmouth, and his brother, George Dans, arrived in Rock Island today from St. Paul, where Andy won several bouts in the past few weeks. They will remain here several days before leaving Monmouth to visit relatives. Andy is matched to fight Young Burk at St. Paul, Feb. 4.

THREE GAMES BOOKED FOR MOLINE ELEVEN

According to announcement of the manager, L. G. Tillotson, three games have been cinched on the Moline high school football schedule for next fall. Following are the dates closed: Oct. 1—Tewanee at Moline. Oct. 28—Rock Island at Rock Island. Nov. 27—Davenport at Moline.

A number of other games are under consideration, and it is known that there are at least two ready to be closed as soon as details are arranged.

GALESBURG TO PLAY MOLINE NEXT FRIDAY

The Galesburg high school basketball squad will invade Moline next Friday for a game with the maroon and white. The college town boys are expected to prove stronger opponents than did Peoria and Coach McGough of Moline will spare no effort in whipping his squad into the best form possible for the second game of the season. Galesburg has always been strong for basketball, bending all efforts toward perfecting a championship quintet, even at expense of other athletic activities.

One week after the Galesburg tilt, Moline will mix with Kewanee in the city of the millmakers. This will be the first game of the season on a foreign floor. Not much is known as to strength of Kewanee.

COHAN'S PARTNER TO BUY CLEVELAND CLUB

Cleveland, Ohio, Jan. 12.—There wasn't much doing in the way of a sale of the Cleveland baseball club yesterday other than a snub. Auctioneer Ban Johnson was the snubbed and Sam Harris was the snubber. Bib Ban, in his capacity of president of the American league, is here to sell the club. Sam Harris of Cohan and Harris, and previously known to fame as manager of Terrible Terry McGovern, put in a tentative bid by wire. "I never sell a club by telegraph," said Johnson. "If Harris wants to buy the Cleveland club, let him come on to Cleveland or Chicago to meet me."

Italian scientists recently recorded a temperature of 138 in the victim of a lung disease, the highest figure ever known in a human being.

CLUBS DOUBLE UP TO SHOOT GAMES

Giants-Dodger Pair Loses Two to the Pirates-Cubs Combination at Club Alleys.

National Standing.

Dodgers	14	4	.778
Pirates	10	11	.476
Giants	7	11	.389
Cubs	8	13	.381

As few of the bowlers showed up because of the unfavorable weather, the clubs in the National league of the Rock Island club tried a new stunt last night at the club alleys, that of doubling up. The Giants-Dodger combination lost two games to the Pirates-Cubs crew. Bassett's 181 was high score. According to the averages just compiled, Sperry is leading the league with 177, Salzman is second with 174, Johnson third with 171, Swanson fourth with 168, Bassett fifth with 166 and R. W. Sharp sixth with 164. The Sox of the American league hold both team records with 2,425 in three games and \$94 in a single game.

In the individual records Johnson leads in three games with 592 and Art Harms rolled 225, the highest single game. The scores for last night: GIANTS-DODGERS.

ILLINOIS TOSSERS BEAT PURDUE TEAM

Urbana, Ill., Jan. 12.—Purdue held the Illini, 9 to 9, for the first half last night, but Captain Ray Woods and his speed boys ran the Boiler-makers off their feet in the second half, winning handily by a score of 22 to 11. The midget, Ralf Woods, led the Illini scoring from the floor, but had a bad night for free throws. Captain Woods played a great all-around game. Brockenbrough was the chief scorer for the Boiler-makers.

MONTREAL IS OUT OF THE GRAND CIRCUIT

Cleveland, Jan. 12.—One of the biggest surprises in light harness circles in many years was sprung yesterday at the annual meeting of the stewards of the Grand circuit, when Montreal failed to qualify as a candidate for racing dates on the 1916 Grand circuit. To fill the gap left vacant by the withdrawal of the Canadian track Cleveland and Columbus were each awarded two separate meetings.

SKI JUMPER HURT IN FALL AT CARY

Fred Bruun, Professional Rider, Loses Balance on Slide Near Chicago Yesterday.

Chicago, Jan. 12.—Hurling through the air on a 151-foot leap, Fred Bruun, a professional ski rider, lost his balance at Cary slide late yesterday afternoon and crashed to earth, sustaining severe contusions about the face and hands, a wrenched hip and internal injuries. The foot-bindings on his left runner broke loose while Bruun was at the height of his jump, the ski fell off, and the aerial athlete lost his balance and dropped, striking the sharp incline of the hill 151 feet from the take-off of the scaffold.

Snow started to fall at Cary about noon, and some of the professionals quartered in the club house of Norge Ski club lost no time in getting out on the hill for practice in anticipation of the international meet to be held there Jan. 23. There soon was enough snow on the scaffold to make jumping possible.

Bruun was the first to attempt a leap. He came down the artificial slide in perfect form, according to Secretary Michael Jensen of Norge Ski club, and was balancing for the drop when the ski fell from his foot.

The injured man was brought into Chicago, where medical treatment was given him.

WEEGHMAN OFF ON MANHUNTING TRIP

Cubs' Boss Would Like to Annex Magee and Kauff, But Sinclair Sets High Price.

PIRATES MAY TAKE TAMPA

Callahan Still in Chicago Angling for Vaughan and Archer, to Be Guest at Banquet.

Chicago, Jan. 12.—Prexy Weeghman, of the consolidated Cubs-White machine, leaves Chicago tomorrow at noon on a manhunting expedition to New York. He decided yesterday to make the journey, after a phone conversation with Harry Sinclair, who after quoting fancy prices for the services of Lee Magee and Benny Kauff, suggested that the North Side mogul speed eastward to talk things over. Weeghman hopes to land Steve Yerkes, Pitted second-sacker, and Fred Anderson, spitball hurler of the Buffeds, before returning to Chicago.

Sinclair sprung a record price for the services of Magee when he asked \$60,000 and added that Kauff, so-called Ty Cobb of the Federal league, would be knocked down to the magnetite bidding \$80,000. According to Joe Tinker, the Cubs are now confronted by a pay roll of \$150,000 and he is up to his neck in the work of trimming expenses. Hence it seems unlikely that Magee of Kauff will be asked to cavort in Cub spangles.

Circus Solly, as Hoffman was known in the halcyon days of the old guard, is a free agent, his contract with the Buffeds having expired. He is undecided in his plans for the coming campaign, but has three propositions in sight. He wired last night to his old leader, Frank Chance, asking for a berth on the Los Angeles club. If the P. L. cannot place Artie the latter says he will organize a semi-pro team and play games at the old West Side park.

Pirate May Take Tampa.

The Pittsburgh Pirates in all probability will train at Tampa next spring, if Barney Dreyfuss approves the contract which President Thomas made with the baseball training association of the Florida cigar town. Dreyfuss phoned Weeghman yesterday, asking that the document be rushed to Pittsburgh, and stated that he would be glad to relieve the Cubs of their spring obligation in Florida. At about the same time Dreyfuss called, Weeghman received a message from Garry Herrmann, who allowed that the Reds would like to grab either Tampa or Shreveport for the training grinds. So if Pittsburgh closes at Tampa the Cubs will round to at Shreveport for the coming season.

Jimmy Callahan, who is to be the honored guest Saturday night at a banquet arranged by the Majestic club at the Great Northern hotel, continues to angle for Jim Vaughn and Jim Archer. He hasn't chance to get either, according to Tinker. Cal also wants Cy Williams and Bill Fisher. A deal will be made with the Pirate skipper on or after Jan. 20, when the final hand is played in the sale of the Bruins.
